

# ROLLSROLLER®

## TRAFFIC 400/145T

### KEY FEATURES

- Adjustable aluminum profile bed.
- Special design for mounting onto high volume of Guide sign panels.

**ROLLSROLLER Traffic** is designed for road sign production with high volumes of guide signs. It has a special profile bed adjustable to fit almost any extruded guide sign panels. Traffic is most often used in combination with a Light, Basic or Premium model to create a complete workflow.
